3 Letter no Cy 7. 118 dated 2/10/32 from the Endorsement, Bangalore city forwarding his views in the matter

(1) The Endorsement has stated in the letter that the Director of Health offers that the functions noted below which the Health Officer is now performing cannot hardly be considered as falling within the purview of Health activities

(i) Licensing of house-building
(ii) Action against unauthorised constructions
(iii) Removal of encroachments
(iv) checking & issuing licenses for Jutkas
(v) Inspection of weights and measures
(vi) Trapping of monkeys and stray dogs

(2) It is also stated that the routine work of issue licenses & notices falling under items 1 2 & 3 has been entrusted to the Asst Health Officer and the work relating to Prosecutions & unlicensed constructions is being attended to by the Prosecuting Inspector newly appointed and inspection of weights & measures has been entrusted to the New Officer for the purpose. To this extent the Health Officer has been relieved of the additional work devolved on him hitherto

Asstt Secy Lawson MRS Camps 4/11

27 Section 228 (2)(c) read with Sec 49(6)(ii) of the City Municipalities Regulation, empowers the Govt to make rules or orders regarding the staff of officers and servants to be employed by the M'C' and the respective designations, duties, Salaries etc & which such officers or servants are to receive Govt can therefore order the M'C' to employ a Building Asst or a Food Asst or any other staff necessary for the purpose of carrying on efficiently the Municipal administration.

28 If the Municipal Council ~~commits~~ defaults in the performance of the duty of appointing such staff as Govt may direct in that behalf, there is enough power vested in Secs 224 to enable Govt to enforce their orders in the matter

29 In ~~these proceedings~~ the present case, however it is not still clear that the M'C' is unwilling

NOTE—Cover Sheet

to employ the necessary Staff to relieve the Health officer as proposed by the Director of Health The M'C have already given some relief in the case as reported by the H' Com' in his letter of 2nd Oct' 1933 The question of appointing a Licensing overseer has only been deferred & the H' Com' says that he is again placing the matter before the C' at its next meeting Perhaps, the views of the Director of Health on the action taken by the M'C and proposed to be taken by the M'C may be ascertained before Govt can pass further orders in the matter

File No of 193 | General and Revenue Secretariat

Under Sec^n 245 the authority is exercisable by the Municipal Council. Under Sec^n 230 the Municipal Council has delegated the powers to the Health Officer who is now the licensing authority in Bangalore. As he is heavily worked, it is proposed to relieve him of the work and appoint a special licensing officer on a pay of Rs 100-10-150.

53) The Health Officer of the Bangalore City is a heavily worked officer and the idea of relieving him of some work may therefore be approved. But it seems to me that it is not desirable to entrust a responsible work like the licensing of bazars to an official on a small pay. Instead of making him an independent officer, he may as well be allowed as an Asst to the Municipal Engr, asked to scrutinise all applns for licenses & submit them for the orders with his opinion. If the Municipality is agreeable to some such arrangement, the proposal to appoint an Offr on 100-10-150 may be allowed. Perhaps the Municipality may be consulted before passing final orders.

of the Health Officer

RR
2nd March 1/6/34

54) I agree the original idea was to appoint an asst mainly for licensing work under the Commissioner

No D 133

PUBLIC WORKS SECRETARIAT

Through the Chief Secretary to Government

Application dated the 12th July 1934 from Mr R S Narayanaswami, B Sc (Tech) B E for an appointment

Slip B)

---

64 Submitted to the Dewan of Mysore

2 Mr R S Narayanaswami who passed the B E Degree Examination of the Mysore University in the year 1929, was entertained as a temporary Surveyor on Rs 80 in 1929 in Krishnaraja Sagara Works He worked there for about 18 months, after which he applied for long leave to go to England for advanced study He studied there for two years and obtained the Degree B Sc. (Technical) of the Manchester University, with Drainage, Sewage Water Supply and Road Construction as special subjects and secured the first rank also in the Examination He had been awarded a loan scholarship of Rs 3,000 for foreign study by the Government, repayable in 5 years, with 5 per cent interest He returned to Bangalore in July 1933 and has since been praying for being reappointed in this Department

Slip 7)

3 It was proposed by my predecessor that the candidate might be appointed as a Sub Engineer on the maximum pay of Rs 200 of the grade of Rs 150-10-200 and posted to

the Bangalore City Municipality in view of his high qualifications suited to the Municipal works, but the question was ordered to be dropped

DEWAN'S OFFICE
7 AUG 1934
No 233

4 Mr B S Narayanaswami held the post of Surveyor in the P W D and having proceeded on long leave for further study with Government aid, it is but fair that he should be taken back to the Department Besides, he is well qualified in the subjects that are very useful for Drianage and Water supply works

5 Messrs D Govindappa and E R Chinnappa, B E , who also possess the same B Sc Degree, were entertained as Assistant Engineers on Rs 200 to start with But owing to the altered circumstances prevailing now, it may not be possible to give him as Assistant Engineer's or Sub Engineer's post I therefore strongly recommend that Mr B S Narayanaswami may be appointed temporary Overseer on Rs 150 in the grade of Rs 100-10-150 with the usual rate of conveyence allovance in the P W Department and deputed with the consent of the Bangalore City Municipality to work there as a Licensing Officer, which post has been sanctioned in G O No L 47-50/11 157-32-7 dated the 3rd July 1934

The favour of sanction is solicited

Submitted

68 Second member) 13/8/34

69 The post of Overseeing Officer referred to in the PWD Secy's notes has been ordered by Govt to be filled up by the Dept after calling for applns & with the approval of Govt The Dept have accordingly called for & rec'd applications of whom Mr B S Narayanaswamy is one Then proposals & filling the post will have to be awaited & I am afraid it will not be possible at this stage to make this appointment direct by Govt

70 I may also point out that this appt is not included in the cadre of Overseers & Surveyors though it is made just now agst a vacancy in the Overseers grade — We may therefore wait for the Dept proposals which have not yet been rec'd

Licensing officer, Bangalore city

General and Revenue Secretariat | Ms File No 157 of 1932 | [App F III 2

II The short pending order in this file is whether the post of licensing officer in the Bangalore City Municipality is a purely municipal one and also whether the appointment of Mr B S narayanaswamy is outside the cadre of the P W Dept.

III The post of licensing officer on Rs100 10-150 was sanctioned in G O no 247-50/ Ms 157-32-7 dt 3 7 1934 and this was to count against an existing vacancy of Overseer in B S Narayanaswamy's appointment to the post was sanctioned in G O no 246-30 34 dt 5 1 35 E* H*

II With a view to enable the interchange of Overseers & Sub-overseers between the cadre of the P W D, the cadre of the latter has been raised in G O no PW 502/18/5 dt 29-8-34 Since the post of Licensing Officer has been created against a vacancy of Overseer in the Ms, the Chief Engineer seems to have raised the question referred to above 2*

III Reference is invited to the II Members minute in para 20 supra stating that this appointment is not included in the cadre of Overseers though it is made against a vacancy in the Overseer's grade The Municipal Comr, to whom a copy of the Chief Engineer's letter of 2 2 35 was forwarded for remarks, has not replied in spite of reminders and there is perhaps no necessity to wait any further

IV If approved a reply in the affirmative may be sent to the Chief Engineer ~~to the effect~~ This will necessitate the reduction of the number of Overseers fixed in the G O dt 29-8-34 by one, about which action may be taken later on in

From

J V KARVE Esq MB ChB (EDIN) DPH (LOND)
Director of Health with the Government of
His Highness the Maharaja of Mysore
Bangalore

GENERAL SECRETARY 19 SEP 1932

To

[illegible]

Sir

I have [illegible] Government that the Health Officer, Kolar Gold Fields [illegible] his performing certain duties [illegible] - amended [illegible] of the Mysore Municipal Act [illegible] the control of the Health Officer [illegible]

(a) Licensing of hotels [illegible]
(b) Action in the matter of infectious diseases
(c) Removal of encroachments
(d) Checking adulteration of foodstuffs
(e) Inspection of conservancy arrangements
(f) Transfer of registered cows

The administrative, executive and routine control [illegible] tion over all these [illegible] of the time and energy of the Health Officer but the Health staff [illegible] the Health [illegible]

The Health Officer has submitted the matter [illegible]

I request that Government [illegible] order, restraining [illegible] Health staff with any [illegible] send enclosed for [illegible] Government [illegible] subordinate [illegible]

the [illegible] August 1932

I have the honour to be

Sir,

Your most obedient servant

[signature]

Inspector of Health

Letter No. Nil dated 6th September 1952 from the Health Officer, Bangalore City, to the Commissioner, Bangalore City Municipality

---

I have to submit herewith the duties of the Health Department as at present include the duties of issuing licenses for the construction of new houses, controlling unauthorised construction and encroachments of municipal land. The three duties mentioned require not only my attention but also the attention of all the Sanitary Inspectors both in the morning and in the afternoon in the Office. In the morning, as the licensing work cannot be delayed, as every day nearly 30 applications are received and as they have to be attended to every day, so that the statutory period may not be allowed to lapse, all the time practically is taken up for this work, so much so there is not time left to attend to the regular work of the Department either for me or for the Sanitary Inspectors such as inspection of Dairies, Hotels, checking of vaccination etc. In the afternoon the correspondence in connection with the issuing licenses, endorsements and attending to papers connected with unauthorised constructions and so much time that attention cannot be given to checking the work of the Sanitary Staff and attend to important sanitary problems of the town.

In addition I have been given the duties of examining and issuing licenses for Tutors and I am also Inspector of Weights and Measures.

I request that you may be so good as to relieve me and the Staff of the duties mentioned above.

The licensing work may be carried on under the control of the Sanitary Engineer or the Commissioner with the help of Licensed Surveyors may be appointed for the purpose. This work can be carried by a Licensed Surveyor as printed

[illegible]

I [illegible] that you [illegible] of civil [illegible] of the [illegible] of life [illegible] distribution. If [illegible] of [illegible] to be given to any [illegible] other [illegible] religious [illegible] of [illegible], I request that [illegible] be given over to the police authorities [illegible] of the Civil [illegible] Military Station.

[illegible] of [illegible] to the [illegible] that the [illegible] of the [illegible] rights [illegible] are [illegible] to the [illegible] Irish people [illegible].

PUBLIC OFFICES BANGALORE

Dated 27th October 1932

My dear Krishna Rao,

In continuation of my letter regarding the duties ~~which you have~~ entrusted to the Health Officer outside his normal work about which the Director of Health has written to ~~me~~ you, I am desired to point out that it has been specifically brought to the notice of Government during the last few ~~weeks~~ days that the ~~enteric~~ typhoid is very much on the increase and that the removal of night soil in the city is very unsatisfactory. Several other minor defects in respect of the Health Dept of the municipal administration of the city have also been brought to the notice of Government ~~mostly in respect of the work of the Health Department~~ and that the Health Officer is not devoting sufficient time to the duties entrusted to him. I am to ask you to let me know for the information of Government what action has been taken by the Municipal Council in respect of ~~the letter of the Director of Health~~ their recent resolution. I am to add that it is essential that the health of the city should be maintained at its best and the Municipal council should not permit anything which will affect it to the slightest extent ~~I am to request you to place this before the Municipal Council and favour Government with their considered views in the matter~~

Yours sincerely,

For perusal

For perusal. A fair copy is placed before the Health Committee Meeting

DL 157-32-3

CITY MUNICIPAL OFFICE

No G To 118/Sec fwd Bangalore City, Dated 25th Sept 1933
2nd October

1579
L

FROM

P H KRISHNA RAU ESQ M A
MUNICIPAL COMMISSIONER
BANGALORE CITY

To

R Panga Rao, Esq, B A, B L,
Chief Secretary to the Government of Mysore
Bangalore

Sir,

With reference to your letter No L 2530/M1 157-32-2 forwarding a copy of letter no C13 dated 16 9 1932 dated 4-10-1932 from the Director of Health in Mysore in the matter of relieving the Health Staff from the work which is not legitimately health work and requesting my views in the matter, I have the honour to state that the Director of Health in his letter referred to above opines that the marginally noted functions which the Health Officer is performing could hardly be considered as falling within the purview of Health activities

1. Licensing of house building
2. Action against unauthorized construction
3. Removal of encroachments
4. Checking and issuing licenses for jutkas
5. Inspection in connection with weights & measures
6. Trapping of monkeys and stray dogs

On receipt of memo dated 6-9-1932 from the Health Officer bringing to my notice that he is saddled with the grant of building licenses and other works which practically takes away all his time, leaving no time to attend to the regular work of the department either to him or to the Sanitary Inspectors, I placed a memo dated 28-9-1932 before the Managing Committee proposing the entertainment of additional officials to be called the Building Assistant and Food Assistant on a pay of Rs 100/- each per month, to relieve the Health staff of the licensing work and to give effect to the Regulation regarding the adulteration of food stuffs Rs 200

The Managing Committee before whom the subject was placed at its meeting held on 20-1-1933 did not approve of my recommendation in view of the present financial condition of the Municipality They however were of opinion that it was expedient to relieve the Health Officer of his duties relating

relating to the issue of building licenses The resolution of the Managing Committee was approved by the Council at their meeting held on 11-2-1933 Again on 23-3-33 another memo explaining the necessity for the entertainment of at least a Licensing Overseer on a pay of Rs 100/- plus Rs 20 C A per mensem was placed before the Managing Committee At their meeting held on 28th April 1933 they resolved that the question be deferred for the present on account of financial - stringency

As the Council itself had agreed as to the expediency of relieving the Health Officer of licensing work and the main objection was one of finance, a proposal was placed in my memo dated 17th May 1933 before the Council to appoint an Engineering graduate to be designated Licensing Overseer in the vacancy caused by the retirement of Mr D Shamanna Overseer, without incurring any additional expenditure This was also deferred by the Council at their meeting held on 31st May 1933

The subject will again be placed before the Council at their next meeting

I may state in this connection that the Malaria Officer who had not got full time work was ~~disputed~~ designated as -- Assistant Health Officer and entrusted with the routine work of signing licenses and notices etc falling under items 1 2 and 3 This has given relief to the Health Officer to a certain extent

A Prosecuting Inspector on a pay of Rs 50 per month has been appointed as sanctioned by Government ~~xx~~ in their Order - No 2610 4 5 dated 22 3-33 to conduct all prosecutions relating to unauthorised constructions and other offences This has given relief to the executive staff of the Health Department The question of relieving the Health Officer of the work of passing the jutkas is still under consideration

Mc II 32-126

The work of inspection of rat traps and measures has already been given to the Sewerage Officer.

As regards the trapping of rats and similar duties I am of opinion that this work should remain under the control of the Health Officer as it is more in the nature of Health work.

Copies of my memos dated 27-9-32, 23-3-33, and 17-5-33 and Council resolutions dated 11-2-33, [illegible] and 31-5-33 are herewith forwarded for information.

I have the honour to be,

Sir,

Your most obedient servant,

Municipal Commissioner

DCR

City Municipal Office
Bangalore, 28th September 1932

Memo

The duties of the Health Officer are at present with reference to the following -

1 Epedemics
2 Conservancy
3 Drainage
4 Disinfection
5 Anti-Malarial work
6 Abatement of nuisances
7 Registration of Births and Deaths
8 Licensing of Bakeries & Eating houses
9 Soda Water Factories
10 Dangerous and Offensive Trades
11 Dispensaries and Hospitals including grant-in-aid Institutions.
12 Slaughter houses
13 Cremation and Burial grounds
14 Petroleum Regulation
15 Care of sweeper huts and isolation camps
16 Private Markets and Cattel Pounds
17 Laboratory
18 Work of Health Committee
19 Attending to the License papers with reference to house constructions, street pendals etc
20 Papers connected with encroachments unauthorised constructions
21 Passing Jutkas and issuing licenses
22 Inspection of Weights and measures

His memo dated 6th September 1932 explaining how items 19 20,21 and 22 interfere with his other work is attached hereto It is true that these items are interfering with his legitimate sanitary and health work It is therefore necessary to appoint at least two additional hands to be called the Buildings Assistant and the Food Assistant to work respectively under the Municipal Commissioner and the Health Officer, the first for relieving the Health Officer of license papers and the second to devote more attention to the inspectio of food, especially in view of the prevalance of Typhoid and other flyborne diseases in the city In this connection, I may invite reference of the Municipal Council to the Appraisal of Health Activities in Bangalore City made by Dr S Seshagiri Rao B Sc ,M B B S at the instance of the Rock Feller Foundation They have suggested certain improvements classified under (1) Those that involve extra expenditure and (2) those that do not involve extra expenditure Unde the first head come the entertainment, among other staff, of five more Sanitary Inspectors on Rs 50 plus 10 I propose that the two

Seniormost Sanitary Inspectors Mr Venkataramaiah and Mr Anantaiah may be appointed respectively Buildings Assistant and Food Assistant on a pay of Rs 100/- each and that two other Sanitary Inspectors may be appointed in their place for the present After three months we may think of appointing three more Sanitary Inspectors as recommended by Dr Seshagiri Rao

Forwarded with compliments to the President for kindly placing it before the Council at their next meeting

27 To consider the opinion of the Managing Committee dated 20th January 1933, that the Committee is not in favour of the appointment of a Building Assistant and a Food Inspector and that it is, however, expedient to relieve the Health Officer of his duties relating to issue of building licenses

Resolution - Approved

Sd B K Garudachar,
HONORARY PRESIDENT

" Copy"

MunicipalCommissioner

DRR

City Municipal Office,

Bangalore 23rd March 1933

REFERENCE - Correspondence ending with Council resolution dated 11-2-33 approving the opinion of the Managing Committee that they are not in favour of the appointment of a Building Assistant and a Food Inspector and that it is, however expedient to relieve the Health Officer of his duties in the issue of building licenses

---

Memo

In addition to the regular duties of the Health Officer he has been entrusted with the following heavy additional work -

1 Attending to the License Papers in connection with house constructions etc
2 Papers connected with encroachments and unauthorised constructions
3 Passing of Jutkas and issuing licenses
4 Inspection of weights and measures

His memo dated 6th September 1932 clearly explains how this additional work seriously interferes with his legitimate and more important work The extract from the Appraisal of Health activities also shows that more attention has to be paid by the Health Officer towards control ardprevention of ~~xxx~~ epidemics and inspection of food stuffs etc for which he has very little time as he has to devote much of his time in attending to the licensing papers and other routine correspondence conrected therewith

With a view to relieve him of the pressure of work the work of Inspection of Weights and Measures has been transferred to the Revenue Officer In order to utilise the services of the Health Officer in the best way possible and to promote public health and welfare it is imperative that he should be relieved of this licensing work as agreed to both by the Managing Committee and the Municipal Council

I therefore recommend that a new hand to be designated Licensing Overseer holding a B E degree or the Diploma of L S E be appointed on a pay of Rs 100 plus Rs 20 P M

This will relieve the Health Officer and the Sanitary

Sanitary Inspectors to a considerable extent and enable them to concentrate on Health and Sanitation work

Sd P H Krishna Rau
Municipal Commissioner

Bangalore 17th May 1933

Reference,- Council Resolution dated 11-2-1933 approving the opinion of the Managing Committee that they are not in favour of the appointment of a Building Assistant and that it is however expedient to relieve the Health Officer of his duties relating to the issue of Building licenses

*****

The above resolution shows that both the Managing Committee and the Council have agreed that the Health Officer must be relieved of licensing work so that he may devote his attention to more important health work such as the prevention and control of epidemics and inspection of foodstuffs &c In order to relieve him of licensing work proposals were again placed before the Managing Committee at the time of the consideration of the Budget for the appointment of a Licensing Overseer on Rs 100 plus Rs 20 for this work

The Managing Committee has deferred the consideration of the question solely on account of the present financial stringency

In order to relieve the Health Officer of this routine work so that his services may be utilised in the best way possible to promote the public health, without, at the same time burdening the Municipality with extra expenditure on this account, I propose that an Engineering Graduate designated as Licensing Overseer may be appointed in the vacancy caused by the retirement of overseer Mr D Shamanna which has not yet been filled up

1 MAY 1934
L & G BRANCH

TO

R Ranga Rao Esq B A B L
Chief Secretary to the Government of Mysore
Bangalore

Sir,

In continuation of this office letter No G To 118 dated 2nd October 1933 and in reply to your letter No L 3756 dated 29th November 1933, I have the honour to state that I placed a note dated 17th May 1933 be ore the Municipal Council at their meeting held on 22nd November 1933 recommending that a Licensing Officer be appointed in the vacancy caused by the retirement of Mr D Shamanna, Overseer

The Council referred the subject to the Managing Committee

I placed another note dated 8-2-34 explaining the need for the entertainment of the Licensing Officer adding that no extra amount need be expended as the cost was to be met out of the sanctioned grant for es ablisnments under - Public Works The Managing Committee at their meeting held on 6-3-1934 approved the pro osals

The recommendation of the Managing Committee was placed before the Municipal Council at their meeting held on 7th April 1934 The Council approved the appointment of a Licensing Officer on a pay of Rs 100-10-150 and resolved that applications be called for from candidates possessing preferably Sanitary Engineering qualification and that a small Committee be formed to go into the question of control over the Licensing Officer

Copies of my note dated 17th May 1933 and my memo dated 8-2-34 together with the resolutions of the Managing Committee and the Council meetings dated 6-3-34 and 7-4-34

respectively are enclosed for favour of information of Government

I request you to be so good as to obtain early sanction of Government to the appointment of the Officer in the existing vacancy

I have the honourto be,

Sir,

Your most obedient servant,

Municipal Commissioner

Forwarded with compliments

Honorary President

DRR

City Municipal Office,

Bangalore 17th May 1933

N o t e

REFERENCE - Council Resolution dated 11-2-33 approving the opinion of the Managing Committee that they are not in favour of the appointment of a Building Assistant and that it is however expedient to relieve the Health Officer of his duties relating to the issue of Building licenses

*****

The above resolution shows that both the Managing Committee and the Council have agreed that the Health Officer must be relieved of licensing work so that he may devote his attention to more important health work such as the prevention and control of epidemics and inspection of food stuffs &c In order to relieve him of licensing work proposals were again placed before the Managing Committee at the time of the consideration of the Budget for the appointment of a Licensing Overseer on - Rs 100 plus Rs 20 for this work

The Managing Committee has deferred the consideration of the question solely on account of present financial stringency

In order to relieve the Health Officer of this routine work so that his services may be utilised in the best way possible to promote the public health, without, at the same time burdening the Municipality with extra expenditure on this account, I propose that an Engineering Graduate designated as Licensing Overseer may be appointed in the vacancy caused by the retirement of Overseer Mr D Shamanna which has not yet been filled up

"Copy"

Municipal Commissioner

Sd. P H Krishna Rau,
Municipal Commissioner

City Municipal Office,
Bangalore dated 8th February 1934

Memo

Subject,- Entertaining an Engineering graduate to be designated as Licensing Overseer in the vacancy caused by the retirement of Mr D Shamanna Overseer in order to relieve the Health Officer of the work of issue of building licenses

---

The Health Officer in his memo dated 6-9-1932 brought to my notice that he is saddled with the grant of building - licenses and other works which practically takes away all his time, leaving very little time to attend to the regular work of the department The matter was carefully considered and a memo dated 28-9-1932 was placed before the Managing Committee proposing the entertainment of additional officials to be called the -- Building Assistants and Food Assistant on a pay of Rs 100 each per mensem to relieve the Health Officer and his staff of the licensing work and to give effect to the regulation regarding the adulteration of Food Stuffs

The Managing Committee at their meeting held on 20th January 1933 did not approve of my recommendation in view of the financial condition of the Municipality They however were of opinion that it was expedient to relieve the Health Officer of his duties relating to the issue of Building Licenses This was approved by the Municipal Council at their meeting held on 11-2-33

Again on 23rd March 1933 another memo explaining the necessity for the entertainment of at least a Licensing Overseer on a pay of Rs 100 plus 20 C A per mensem was placed before the Managing Committee They resolved at their meeting held on 28th April 1933 that the question be deferred on account of financial stringency

As the Council itself had agreed as to the expediency of

of relieving the Health Officer of licensing work and the main objection was one of finance I placed a fresh proposal before the Municipal Council in my memo dated 17th May 1933 to appoint an Engineering graduate to be designated licensing Overseer in the vacancy caused by the retirement of Mr D Shamanna Overseer, thereby throwing no additional expenditure on the Municipality This proposal also was deferred by the Council at their meeting held on 31st May 1933 The deferred subject was placed again befor the Council on 22-11-1933 and it was d referred to the Managing Committee

As pressing reminders are being received from Government on t is subject and the Health Officer is to be relieved urgently of this work in order to enable him to devote more attention to Healtn work it may be considered by the Council and disposed of It may be pointed out that by approving my third proposal dated 17th May 1933 there will be no extra cost to the Municipality and the pay of the Licensing Overseer will be entirely met from the sanctioned grant for establishments under Public works

Sd P H Krishna Rau,
MUNICIPAL COMMISSIONER

12 To approve the opinion of the Managing Committee meeting dated 6th March 1934 recommending the entertainment of a Licensing Overseer in the vacancy of Mr D Shamanna Retired Overseer, without incurring any extra expenditure and that the Health Officer be relieved of the work of licensing of buildings

Mr C N Narasinga Rao proposed that an Engineering Graduate be appointed and that he may be called Licensing Officer instead of Licensing Overseer

Mr D Venkataramanappa seconded it

The President informed that applications from candidates possessing preferably Engineering qualification would be called for

Mr S K Venkataramana Iengar proposed that the subject be deferred for consideration at the time of the Budget

Mr Pamlal Tiwari seconded it

After a lengthy discussion on the subject Mr C S Nasrulla Sheriff proposed that the appointment of a Licensing

Offi-

Officer on a pay of Rs 100-10-150 be approved and a Committee consisting of three members viz Messrs P Subbarama Chetty S K Venkatarangiengar and Mir Iqbal Hussein be constituted to go into the question of control over the Licensing Officer

Mr P Subbarama Chetty seconded it

Mr V H Hanumantappa then proposed an amendment that the words " and pay" be added at the end of the xxxxx above proposition

Mr C N Narasinga Rao raised a point of order that the amendment was directly opposed to the original proposition

The President disallowed the amendment

The proposition of Mr O S Nasrulla Sheriff was put to vote and carried

It was further resolved that the report of the Committee be placed before the next Council meeting

OFFICE OF CH E
R d No. 392
Date 12.2.34
BANGALORE

To

The Chief Engineer in Mysore

Bangalore

Sir

I passed the B E Examination offering Civil Engineering as my subject in the year 1929 and was appointed as Surveyor in the Krishnarajasagara Works

About 20 months' later I went to England with a view to qualify myself for higher studies and took up the B Sc course in Manchester I took the degree in the year 1933 and was placed first in First Class I specialised in Drainage Sewage Water-supply and Road-construction For my studies in England the Government were kind enough to grant me a loan-scholarship of Rs 3 000 at 5% interest payable in about 5 years but I have not been able to repay the loan nor could see any prospect of doing so as long as I am without a job

On return from England I applied for a footing but as ill-luck would have it there have been no vacancies temporary or permanent in the Public Works Department due chiefly to the abolition of certain Divisions in the Krishnarajasagara Works

Mr M G Rangaiya the late Chief Engineer recommended me a Sub Engineer's place on Rs 200/- in the Bangalore City Municipality where there are drainage and other allied works in contemplation or progress in view of my special qualifications But unfortunately for me this recommendation did not bear itself out

I may be permitted also to state that persons with qualifications similar to mine were started on Rs 200/- as

P T O

as Sub Engineers and are now Assistant Engineers

It is understood that there are at present a few vacancies and I beg you will kindly accord sympathetic disposal to my hard case and give me a start in service in a suitable place as you might in your generosity choose

I beg to remain
Sir,
Your most obedient servant
B S Narayana Swamy

Sir,

Adverting to Government order No L 47-50 Ml 157-32-7 dated 3rd July 1934 sanctioning the post of a Licensing Officer on a pay of Rs 100-10-150 per mensem and directing that applications for the post may be called for and the selection made with the approval of Government, I have the honor to state that applications were called for from the candidates possessing a degree in Engineering of a recognised University and having a diploma of Sanitary Engineering In response to the advertisement, 71 applications were received and they were placed before the Municipal Council

The Council at their meeting of 29th October 1934 referred the matter to the Managing Committee for the selection of a panel of 6 names

Accordingly the Managing Committee suggested the

1 Mr B S Narayanaswami, B E , B Sc , Tech Manchester
419 Police Station Road Basavangudi
2 " B Vittalmurthy B Sc , B Sc , Tech Manchester A M C T
3 " A Narasimhiya B E 1896.

Additional subject No 3

Opinion of the Managing Committee meeting dated 26th November 1934 suggesting a panel of six names out of the applications received for the post of the Licensing Officer

Dr D Govalakrishna Rao proposed that the selection be made by ballot

Mr C M Garudachar seconded it

Mr W H Hanumanthappa raised a point of order viz that since the two posts had been amalgamated in the Department of Public Works cadre as per recent Government orders the question be referred to the Central Recruitment Board for selection

The President gave a ruling that the appointment of the Licensing Officer did not come under the Recruitment Board Rules as the Government has already approved the advertisement of the post by the Municipality

Mr K T Bhashyamiengar proposed that the Council do proceed to choose one candidate for the post of the Licensing Officer out of the six names recommended by the Managing Committee

Mr C Hayavadana Rao seconded it

Mr W H Hanumanthappa proposed that both the propositions relating to Licensing Officer and Overseer be taken together

Mr S K Venkatarangiengar seconded it

The President ruled that the proposition was not in order as the two subjects were quite separate, which can be seen from the Agenda.

The selection of a candidate for the post of the Licensing Officer was done by ballot

The result was as follows -

1 Mr B S Narayanaswami B E , B Sc Tech (Manchester) 19 votes

2 A Narasimiya B E 8 "

Mr B S Narayanaswami was duly declared selected for the post

No L1091

To
The Chief Engineer of Mysore
Bangalore

Sir, With reference to your letter No 5686 dated 2-2-1935, requesting to be informed whether the post of Licensing officer in the Bangalore city Municipality is purely a Municipal one and if so, whether the appointment of Mr B S Narayanaswamy as Licensing officer is outside the cadre of the Public Works Department, I am directed to reply in the affirmative and to request that necessary further

action may be taken to reduce by one
of the number of Overseers fixed in
the G.O. No. P.W.S. 503-18/3 dated 29-8-34

I have etc.
